CARTAC Steering Committee Meeting in Curaçao on June 6, 2024

The Steering Committee commended the execution of the work program under Phase V and endorsed the proposed work program for FY2025 at the hybrid meeting held on June 6, 2024. The Steering Committee adopted several of the recommended revisions to the [Phase VI Program Document](#) proposed by the working group formed to address the reform proposals made by the United Kingdom and Canada. As such, **the Steering Committee agreed that all member countries will draft country result reports on the capacity development activities delivered by CARTAC for inclusion in the Centre's annual reports starting**

FY2025; and that the share of member countries' contributions would increase from 23 percent during Phase V to 30 percent in Phase VI.

The highlights of the capacity development activities that the Centre's resident advisors implemented during last quarter follow. Upcoming activities during July to September are listed at the end of this report.
